.....

**Scope Of Works and Works Involves.**

### **DESCRIPTION OF WORK:**

This Specification identifies and summarizes the standard of workmanship, quality of materials, PPL Building Maintenance Team, the Scope of Works and the general terms and conditions that apply under this contract.

### **SITE INSPECTION**

The Contractor must check and inspect the site and the property prior to submitting in their quotations.

### **VARIATIONS:**

The value of any variations to the work included in the estimate is ordered and authorized by the PNG Power Building Maintenance Coordinator or Regional Manager Southern. Whether by additions, omissions or substitution to the works described, both PNG Power Representative and the Contractor should agree before the variation is carried out.

### **CLOSING OF BIDS OR QUOTATIONS:**

A closing date for bids will be decided while carrying out site inspection. All bidders will be allowed five (5) working days to furnish his quotation and the handing in of Bids closes at 4.30 p.m. on the determined date.

The bidder shall then submit his bids or quotation in a sealed envelope including a latest copy of his Company's Bank Statement, PPL Vetted contractor, IRC & COC and to be addressed to:

The Facility Coordinator-Southern Region  
PNG Power Ltd.  
P.O. Box 1105  
**BOROKO**  
National Capital District.

**BID RESULT:**

The PNG Power Southern Region Team will inform both the successful and unsuccessful bidders by mail.

**STARTING AND FINISHING DATES:**

Upon awarding of Contract to the successful Bidder, a mutually convenient date for the start of work should be arranged and set between the Contractor and PPL Building Maintenance Coordinator and Team Facilities. A completion date will also be set and the Contractor should do his best to adhere to it.

Should there be a delay for some unforeseen factors; the Contractor is required to inform the PPL Building Maintenance Foreman of the reasons for such delays.

Any unnecessary delays may jeopardize the ongoing business relationship between the Contractor and PPL.

**REMOVAL OF DEBRIS:**

It is the responsibility of the Contractor to remove debris without delay during the course of work or completion of work.

**FINAL INSPECTION:**

Upon completion of the given contract, the Contractor shall arrange with PPL Building Maintenance Foreman and Team Leader Facilities for a joint inspection prior to handing the keys to PPL Team.

**PAYMENT:**

Progress payments will be applied for major valued maintenance, but as for minor maintenances, the "Contract Sum Payment Method" shall be the appropriate option to be applied.

**Preambles:**

The Contractor should be prepared to carry out in a good and workmanlike manner the works described in the Scope. The Contractor should exercise care in carrying out maintenances to the house and not cause damages to the house, furniture's or household belongings

The Contractor is liable for the welfare and the insurance cover of its employees. PNG Power will not be held liable for any incidents that may occur in the course of the Contractor's duties whilst carrying out this Contract work.
